### OBJECTIVE

I am an aspiring young video editor who is just about to graduate from the University of Portsmouth. Currently I can offer a strong, all rounded understanding of the film industry. However, my course has allowed me to specialise in post production. My objective is to kick start my career through the development of my skills, gaining experience and meeting new people.

### EDUCATION

**BA (Hons) Film Production Degree -** (2018 - CURRENT)

University of Portsmouth

Gained a 1st in second year, including a 1st in my editing module.

**ALEVELS -** (2016 - 2018)

Chislehurst School for Girls,.

A in Art Textiles, a B in History and C in Media Studies

**GCSEs -** (2013 - 2016)

Beaverwood School for Girls

11 GCSE'S ranging from A - C, including English, math and computer science

### SKILLS

#### Software

- Avid Media Composer
- Adobe Premier Pro
- Davinci Resolve
- Adobe After Effects
- Adobe Lightroom, Photoshop, InDesign

#### Creativity

I am a very creative person and tend to thrive in creative studies throughout my life. Whether that be art and textiles in School, my film production degree or drawing in my spare time.

#### Teamwork

I have grown up working in teams, as I play a lot of team sports such as hockey and netball. In addition, film making in my first year at University taught me how to work efficiently as a team to achieve deadlines.

#### Problem solving

When things go wrong and I have been required to come up with quick solutions such as fixing lighting and sound issues in
